

Dear Parent or Guardian,

The Healthy Schools Act requires all California school districts to notify parents and guardians of pesticides they expect to apply during the year. We expect to use the following pesticides in your school this year:

| Name of Pesticide (Common Name) | Active Ingredient(s)       |
|---------------------------------|----------------------------|
| Maxforce                        | Hydramethylnon or Fipronil |
| Suspend SC                      | Deltamethrin               |
| Tal Star                        | Bifenthrin                 |
| Re-Juv-Nal                      | Alkyl                      |
| Bleach                          | Sodium Hypochlorite        |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |
|                                 |                            |

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's web site at [www.cdpr.ca.gov](http://www.cdpr.ca.gov).

You may view a copy of Kids' Care Club's integrated pest management plan in the school site office.
