

Monthly Activities

Month: May

Class: Fours & Pre-K

Theme: Weather; Fables; Fairy Tales; Nursery Rhymes

Alphabet: Yy-Zz, Review **Math Concepts:** Visual/Spatial Skills, Predicting, Money **Community Helper:** Librarian/Story Teller

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1 Weather	Find things around the house that start with the letter Yy. Help your child write the words down.	Act out various types of weather with your body (ex: waving your arms for wind, spinning for tornados, etc).	Predict how many books are on a shelf. Have your child count them out loud.	Have your child count how many coins you have in your wallet.	Discuss the different properties of water with your child. Show them the difference between boiling water and ice.
Week 2 Fables	Read some fables together. If you don't have any books of fables, you can find the stories online.	Ask your child what sound the letter Zz makes. Practice writing the letter together.	Draw pictures of a house made of bricks and one made of straw. Ask your child which one they think is the strongest.	Talk to your child about what each coin is worth. Have them order the coins from least to most.	Ask your child to retell "The Tortoise and the Hare."
Week 3 Fairy Tales	Sing the alphabet song together. Ask your child to find objects around the house that begin with each letter of the alphabet.	Read your favorite fairy tale together.	Ask your child to retell the story of Cinderella.	Dance together to your favorite theme song.	Have your child count out money at the store.
Week 4 Nursery Rhymes	How many words can you think of that rhyme? Write the words down.	Predict how many dollar bills equal a twenty dollar bill. Count them out together.	Write all the letters of the alphabet in order.	Read some of your favorite nursery rhymes together.	Boil water in a pan. Predict how long the water will take to come to a boil. Time it to test their predictions.
