

Monthly Activities

Month: March

Class: Threes

Theme: Dr. Seuss, The Zoo, San Diego Wildlife, Pets & Spring **Community Helper:** Zoologist

Alphabet: Ss, Tt and Uu

Math Concepts: Weights, Measuring & Estimating

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1 Dr. Seuss	Read your favorite Dr. Seuss book with your child.	Make up silly rhymes together.	Ask your child: "What would you do for fun if mom/dad couldn't see?"	Place several objects in a clear jar. Estimate how many there are & count together.	Measure each other's feet and hands.
Week 2 The Zoo	Giraffe's eat leaves. Eat a salad or green vegetables as a family.	Pretend to be a tree and allow your child to safely climb on you like a koala.	During bath time, pretend to be elephants.	Talk about bears eating honey. Have honey and bread with your child.	Take time to visit the animals at the zoo.
Week 3 San Diego Wildlife	Practice closing and opening umbrellas.	Hide cut out shamrocks around the house and go on a shamrock hunt.	Stand outside after the sun goes down and listen carefully for local wildlife.	Go on a family nature walk. Can you find any animal tracks around you?	Pretend to be different animals (lizard, coyote, eagle, opossum, rabbit, etc).
Week 4 Pets	Roll play taking your pet(s) to the veterinarian's office.	Have your child practice petting their stuffed animals with gentle hands.	If you have a pet, allow your child help care for it (walk, feed, water, bathe...).	Practice cutting with child-safe scissors (use junk mail, scrap paper, etc).	Go to your local pet store and observe the animals for sale/adoption.
Week 5 Spring	How many objects around the house are oval shaped?	Collect a few rocks around your yard. Compare and weigh them.	Find books at the library about Spring, cuddle in a cozy corner & read together.	Smell the many flowers at the super market. Which one is your favorite?	Play tag with your child outdoors.
