

Monthly Activities

Month: September

Age Group: Threes

Theme: Back to School, Myself, Friends & Feelings, Apples

Alphabet: Aa-Cc

Community Helper: Chef/Baker

Math Concepts: Shapes & Colors

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1: Back to School	Talk about the day of the week on the way to school.	Talk about the spelling of Kids' Care Club.	Talk to your child about the different centers in his/her classroom.	Read a book with your child in their classroom at pick-up.	Pick up your child's art work from their art folder and talk about all of the fun activities they did this week.
Week 2: Myself, Friends & Feelings	Come to school early and have your child introduce their friends to you.	Bring pictures of your family for your child to share with the other children.	Have your child draw a picture of their friends.	Look through different magazines and talk about the people's facial expressions.	Talk about your child's fears and joys.
Week 3: Chef/Baker	Allow your child to get out the pots, pans and other utensils you need to cook dinner.	Lay out the ingredients you need for dinner and talk to your child about the quantity you need.	Take a trip to the bakery and point out the different types of cakes and pastries.	Use a rolling pin and play dough to create a baker's masterpiece.	Outdoors, have flour, measuring cups and spoons and pretend to bake with your child.
Week 4: Shapes & Colors Aa-Cc Apples	Have your child pick out a different outfit based on a color for each day of the week.	Play I Spy - Shapes... on your drive to school.	Look for the letters A-C in your child's name.	Cut out different shapes from a magazine.	Go to the grocery store and talk about the different colors and types of apples there are.
